PUBLIC SEMINAR AT THE UNIVERSITY OF HELSINKI

PEACE BUILDING AND POST-CONFLICT RECONSTRUCTION IN YEMEN

NOVEMBER 25, 2022

SPEAKERS

SESSION 1

Dr Susanne Dahlgren is a longtime scholar of Yemeni society and politics. Anthropologist by training, she currently acts as Senior Lecturer in Tampere University, Finland. Her academic studies include the book *Contesting Realities. The Public Sphere and Morality in Southern Yemen* (Syracuse Univ. Press 2010), and her commentary on Yemeni politics has been published among others in the *Washington Post*.

Dr Adel Dashela is a Yemeni researcher with a PhD in English literature focusing on political prison literature in the Arab world. He has published numerous research papers. His areas of interest include political and social transformations in Yemen.

Dr Abdullah Alosaimi is a public health expert in humanitarian settings. Recently Dr. Alosaimi received his PhD degree from University of Tampere, Finland. He is the Board Chair of Nordic Mercy Relief. Also, he was a Research Associate at Tampere University from 2008 to 2022 and he is an elected member on the board of directors of The Social Democratic Party - Tampere city. Dr. Alosaimi has published numerous research papers.

SESSION 2

Mr Pekka Haavisto is the Minister for Foreign Affairs of Finland since 2019. A member of the Green League, he has been a member of parliament since 2007. Mr Haavisto has a longtime interest in peace mediating, and he has acted in a number of UN peace mediating missions among others in the Sudan.
